AUTO, TRUCK & SUV PERFORMANCE SLOTTED CROSS DRILLED ROTORS

ABOUT ROYALTY ROTORS:

Royalty Rotors is a leading manufacturer and supplier of performance Slotted Cross Drilled Rotors.

We offer Performance Rotors at Plain Rotor Pricing. We offer the most attractively priced performance rotors among leading brands.

We have the largest Selection of Slotted Cross Drilled Rotors. We stock over 1500 part numbers for nearly every vehicle make and model.

We have one of the largest and most advanced CNC Manufacturing operations with over 30 years experience in CNC Manufacturing in the aerospace and automotive industries.

OUR PRODUCTS:

- **CROSS DRILLED HOLES** - Degasses brake pads & decreases rotor heat.
- **CURVED SLOT DESIGN** - Deglazes brake pads, reduces fade, & minimizes brake dust.
- **SILVER ZINC PLATING** - Prevents rust & corrosion, & greatly improves appearance.
- **PRECISION CASTINGS** - CNC machined castings meet all O.E. specifications & are easy to install.
- **PROVIDES EXCELLENT BRAKING POWER**

All rotor castings are G3000 or better. All manufacturing operations are ISO and/or TUV certified.
